

Announcing the First Annual

**BRING**

**Product Design Challenge**

Wish you could make that thing you want?

**Now's the time to try!**

**The Objective:** Transform salvaged materials into new products by putting a spin on a classic idea or creating something new.

Entries will be judged & prizes awarded on **Earth Day**, Saturday, April 22, during St. Vincent de Paul's fourth annual Metamorphose fashion and art show!

Visit [bringrecycling.org/designchallenge](http://bringrecycling.org/designchallenge) for contest rules and information and to complete your free entry form.
