

WHISKEY LABEL DESIGN COMPETITION

An alumni-owner of a local craft-distillery is looking for someone to design a label for an up-coming, high-end, locally-made whiskey. Your design could be chosen for local and national distribution for everyone to see. What a way to build your portfolio. You can pick one product to submit or all three if you're ambitious. Also a possibility for internship credits.

For more information on design specifics, brand name and images please contact:
