

## **2020-2021 Laurel Award Internship Opportunities**

### ***Jordan Schnitzer Museum of Art***

The Jordan Schnitzer Museum of Art offers three Laurel Award Internships each academic year, which provide hands-on museum experience. One Laurel Award Internship is offered in each of the following departments: Collections Management, Curatorial Research, and Education. Each intern will be assigned practical and administrative tasks throughout their time at the museum. Graduate students interested in museum careers or in learning more about the functions of an art museum practice are invited to apply.

Laurel Award Internships are available for one to three terms. Selected interns are required to be enrolled in a graduate level internship course for 4-5 credits per term. Interns must be able to commit at least fifteen hours per week at JSMA, for which they receive full tuition reimbursement for each term selected.
