

KEENA SHAW NORTHROP DEAN'S ART AWARD

The Keena Shaw Northrop Art Award seeks proposals from current U of O students in any degree program for a wall-based artwork in **Fibers** (weaving, knitting, crochet, embroidery, quilting, dye, print on textile, etc.) to be displayed in Chapman Hall for the duration of 1 year. The winner will also receive a **\$1,000 prize** credited to their student account.

Artworks should not exceed 7' tall x 5' wide in dimensions and must be able to hang from adjustable hooks using the existing gallery hanging system (no nailing or screwing directly into the wall is possible, nor can the hanging system accommodate extremely heavy artwork).
